

"Healthier People, Healthier Pets, Healthier Communities"

The Blue Moose Animal Therapy Center is pleased to announce the

Canine Learning Pawds Program!!

Canine Learning Pawds Program:

- **Once weekly 4-week program that has a different educational objective each week**
(All educational curriculum based on Kenai Peninsula School District and Alaska State Learning Standards)
- **Each 2hr. session includes the weekly educational focus lesson, some dog care/handling education, and some social time with the dogs participating in the *Canine Learning Pawds Program***
Students must sign up for all four weeks of the program (\$120) payments may be made per session (\$30)
- **December Pawds available:**
Thurs December 3 09:30-11:30am or 1:00-3:00pm
Thurs December 10 09:30-11:30am or 1:00-3:00pm
Thurs December 17 09:30-11:30am or 1:00-3:00pm
Tues December 22 09:30-11:30am or 1:00-3:00pm

Our facility set-up allows us to take up to 8 kids at a time and allow them some great learning and social time with our Canine Learning Companions in a safe, supervised, and fun environment!! Working with our colleagues at KPBSD to make sure our educational lessons are on par for all our kids, we are excited to help kids connect, socialize, and engage with some amazing new furry friends. Help us pioneer our new and innovative learning opportunity here at our Center!

Call us for more information about how your child can join in on the fun!!

Please call Ellen at 907 262-8245 for more details and information regarding limited scholarship opportunities
